STEP 5:

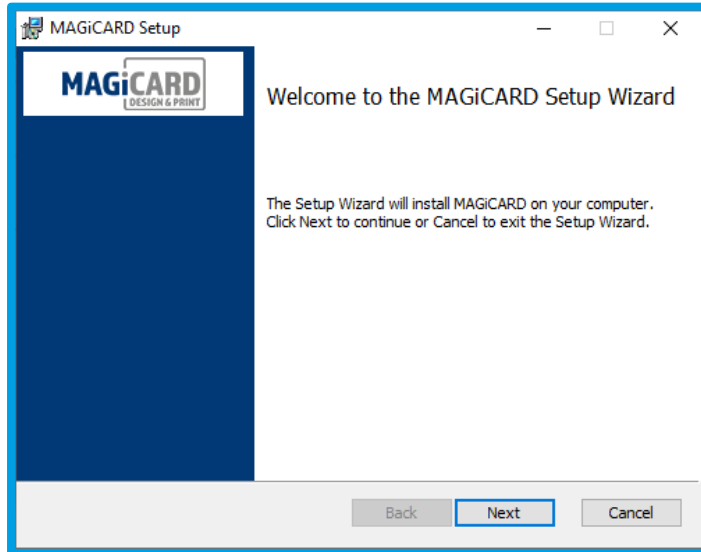

Once customers receive the email, they should click on the link contained therein.

They will be taken to this page from where they can download the .exe file which will run the Magicard Design & Print software on their PC.

Once they have downloaded an unzipped the folder containing the software and associated files then they should follow the instructions for installation.

INSTALLATION

STEP 1:

Extract the file named "Magocard.Bundle.exe" from zip folder.

STEP 2:

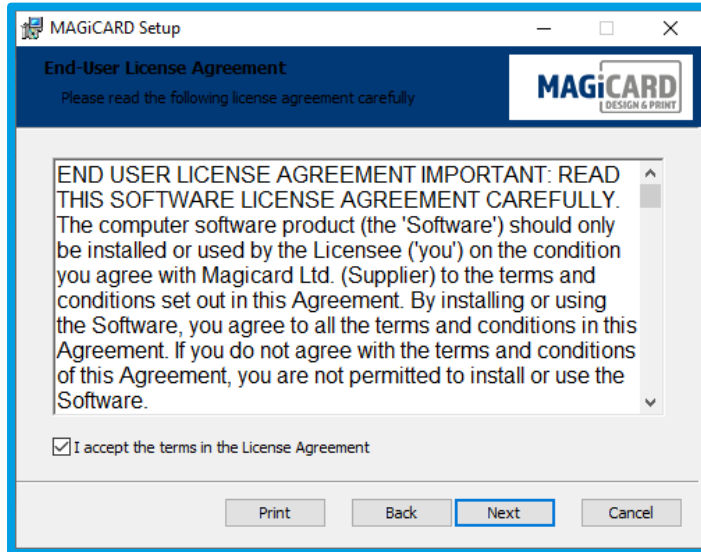

Double click on the installer.

The installation of Magocard Design & Print will commence.

Note: If installer is already installed in the system, it will ask you to "Uninstall" or "repair" the software.

INSTALLATION

STEP 3:

When “Magicard will be installed in your system” is displayed, click ‘install’.

STEP 4:

The you are asked “Do you need to install this in your computer” click on ‘Yes’.

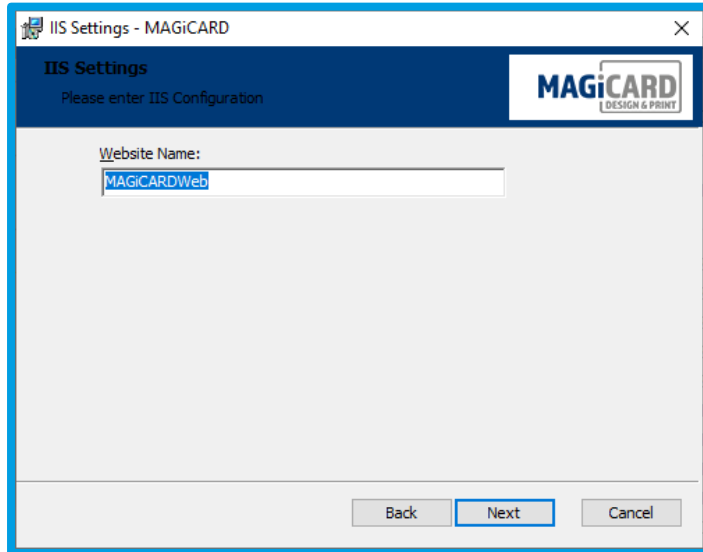

STEP 5:

Check the check box beside “I accept the terms in the License Agreement”.

Click on ‘next’.

INSTALLATION

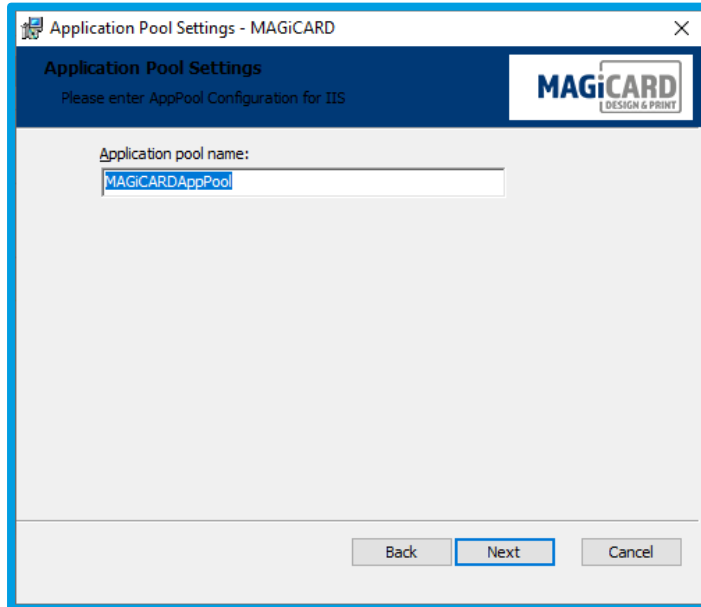

STEP 6:

"Website Name" is displayed, click on 'next'.

INSTALLATION

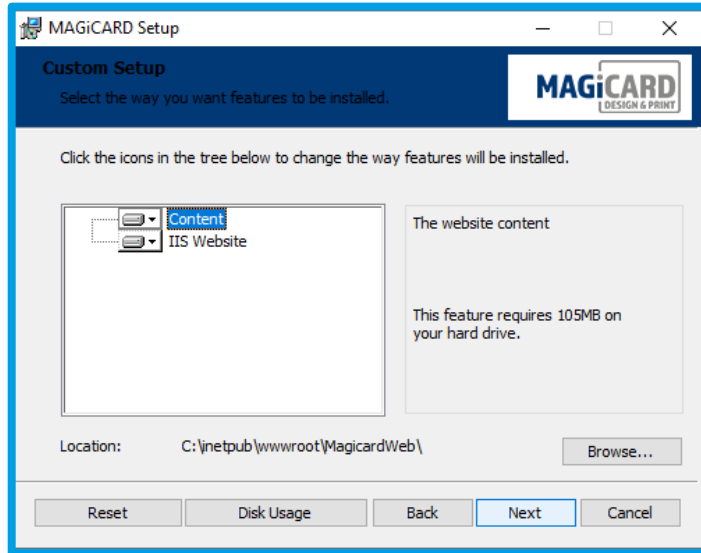

STEP 7:

"Application pool name" is displayed, please click on 'next'.

INSTALLATION

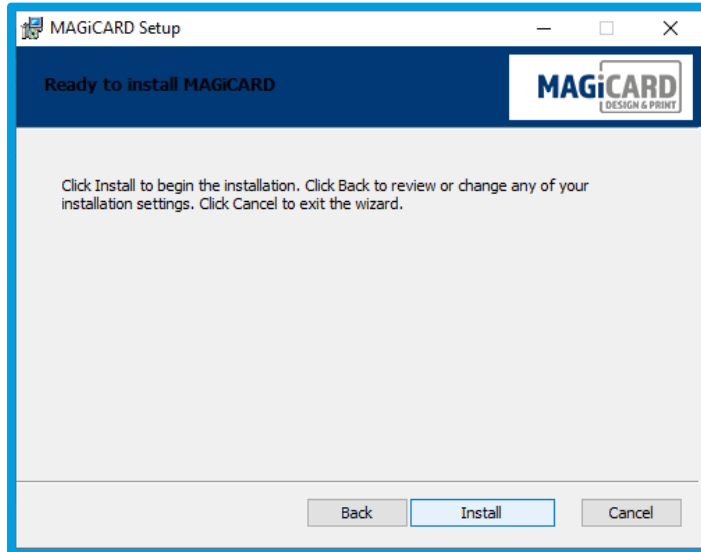

STEP 8:

In "Custom Setup", please click on 'next' to continue.

INSTALLATION

STEP 9:

In "Ready To install MAGiCARD" click on 'install'.

STEP 10:

When you see the message, "Completed the "MAGiCARD Setup Wizard" click 'Finish'.

At this point, "Setup Successful" will be displayed, click on 'close'.

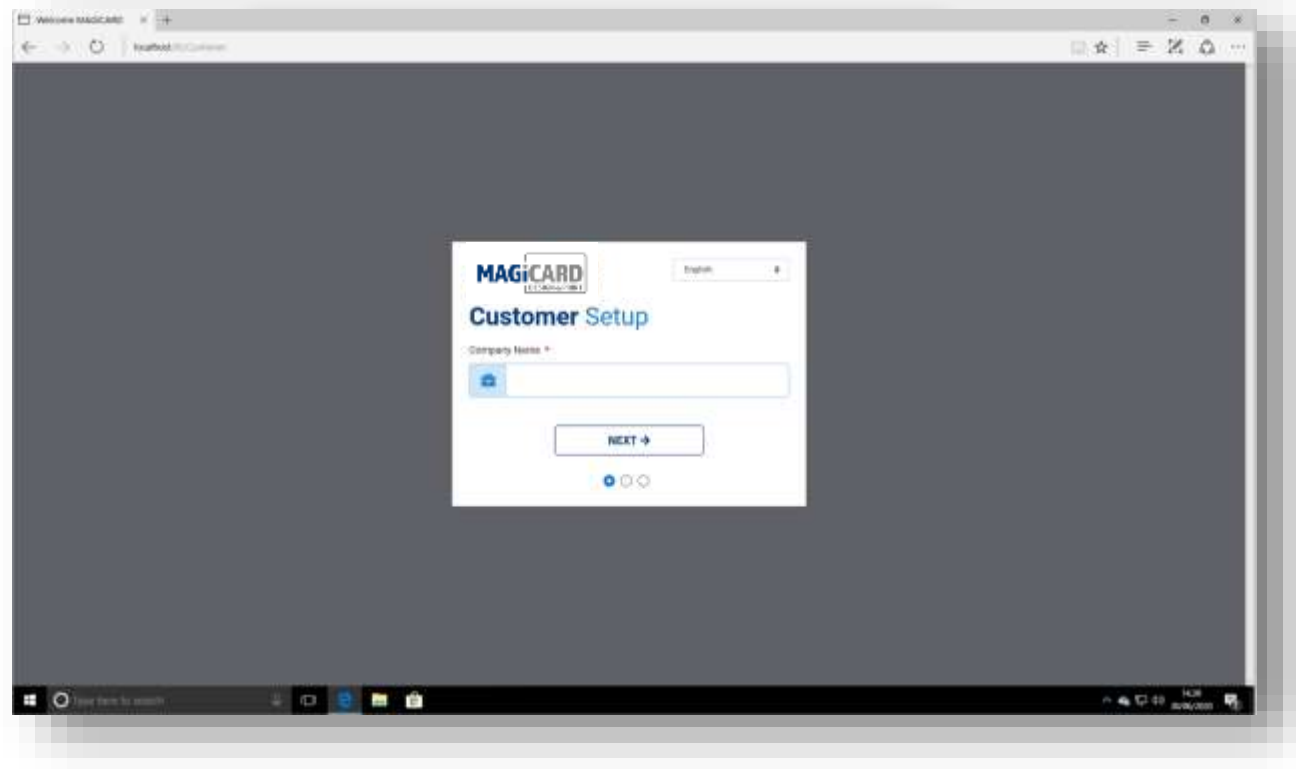

STEP 11:

Open your internet browser and enter: <https://localhost:85>.

You will now see the start page of **Magicard Design & Print**.

FIRST TIME OPERATION

STEP 1:

Start customer set-up by inserting your company name when requested.

FIRST TIME OPERATION

The screenshot shows a web browser window displaying the 'Customer Setup' form for MAGiCARD. The form includes the following fields:

- Email ***: A text input field with an email icon on the left.
- First Name ***: A text input field with a person icon on the left.
- Last Name ***: A text input field with a person icon on the left.
- Contact Number ***: A text input field with a mobile phone icon on the left.

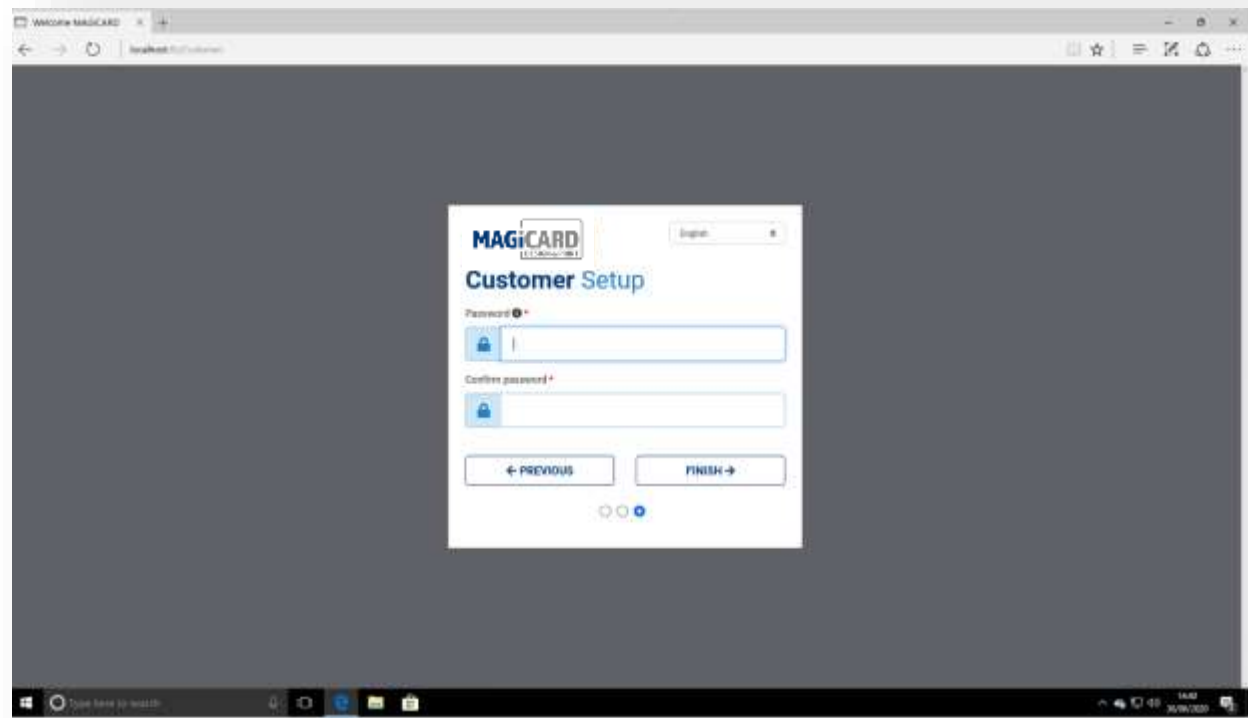

At the bottom of the form, there are two buttons: '← PREVIOUS' and 'NEXT →'. Below the buttons are three small circular progress indicators, with the second one being filled, indicating the current step in the process.

STEP 2:

Insert your contact details into the appropriate boxes.

FIRST TIME OPERATION

STEP 2:

Choose a password (remember, do not make it easy for others to steal your confidential ID card data – take care to make your password unique) and confirm the password to finish the set-up stage.

FIRST TIME OPERATION

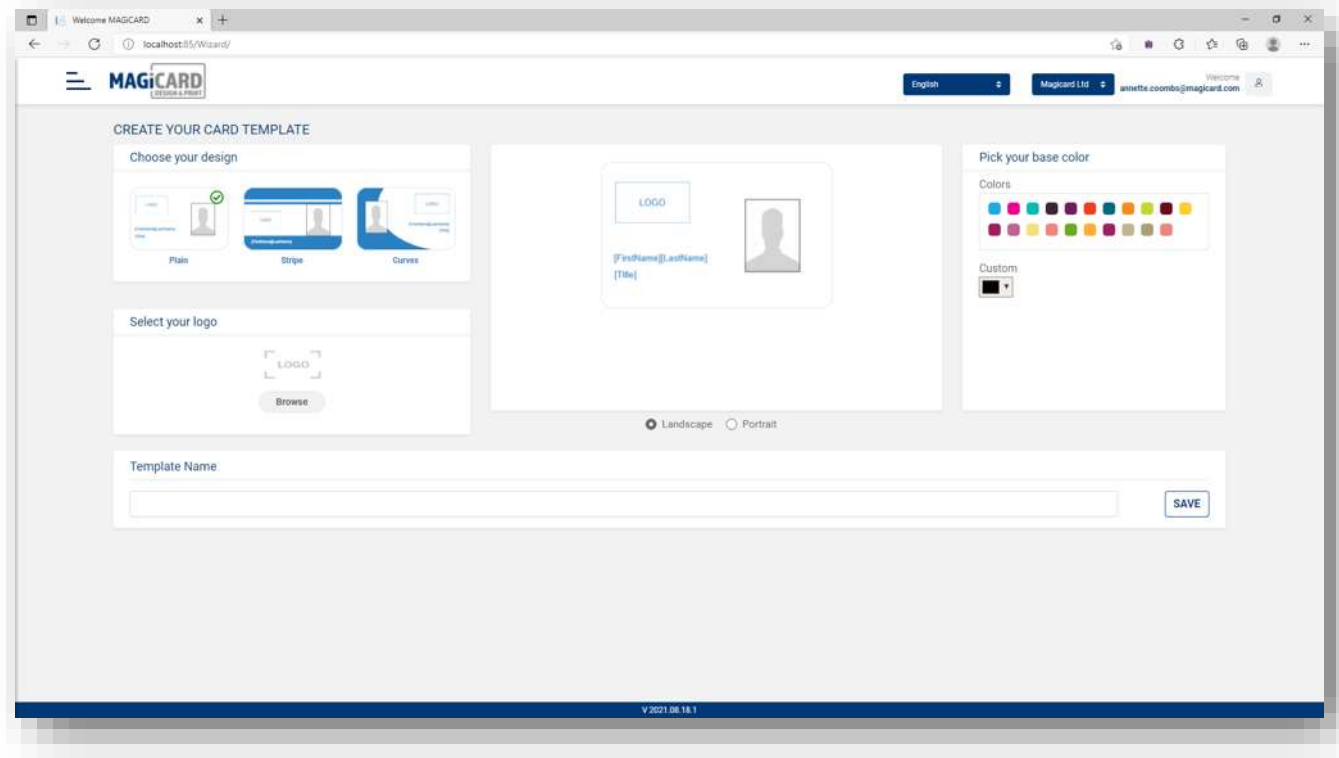

STEP 3:

Use your email and the password you chose in the set-up stage to login to your MagiCard Design & Print account.

FIRST TIME OPERATION

STEP 4:

Use the simple template editor to create a card template including photographs, logos and personnel details.

Upload existing contact databases, save different templates for different classes of personnel.

Magicard Design & Print and manage your ID card needs with your Magicard printer.

FIRST TIME OPERATION

SUPPORT:

In the event that you need support for either installation or operation of the Magicard Design & Print software, please visit <http://support.magicard.com> and complete the form and one of our world-class technical support team will respond to you and help you solve your issue.
